TBAC Senior Men at the National XC in Leeds (Note the hills in the background!)

In this week's issue: A quick report from the National XC, there were new club (indoor) records set at the England Age Group Champs, and Mark Mackintosh's first (and quite successful) ultra.

Di Viles is looking for volunteers & officials for FieldFest - & athletes remember you need to sign up & enter online! Sue Brigden has a message about parkrun volunteering, and I include the fixtures for the Wiltshire Road Race League.

Nationals XC, Harewood House

By Thomas Davies

Ten TBAC athletes made the journey to the English National XC at Harewood House, just outside Leeds. A fabulous location and great XC course with some pretty hefty hills to get over.

In the age groups we had at most only a single TBAC athlete in each race - but strong performances in competitive fields by all to finish in the top 100: (India Ibbotson (U17W - 90), Alex Parsons (U17M - 96), Dylan Stoneman (U13B - 30), Will Crudgington (JM - 46)

Rebecca Pierce had a strong run in the Senior Women's race to finish 133rd.

We had 5 in the Senior Men's race, with Dan Jones leading the way (246), followed by James Donald (323), Thomas Davies (427), Eliot Ball (654), and Chris Milbourne (981).

A unique event, with 2000+ runners on a XC course, which is like no other race. After a quick start, most of what I remember is being gradually overtaken by more and more runners - despite holding my pace quite well. I was happy with my 427th place in the end, but hopefully I'll be further up next year. Great fun though, and a race we should really target as a club (next year it should hopefully be a little closer to home).

England Indoor Championships (U15/U17/U20)

By Di Viles

A number of TeamBath athletes made the long journey to Sheffield for the National U/20, U/17, U/15 championships and came back with 2 medals, 2 England vests, a new club record and a number of PBs.

Topping the list were Jenna Blundell and Jake Burkey who were both awarded England vests to compete for England next week at Cardiff. Jenna again improved her PB in the U/20 60m hurdles to take silver in 8.53, whilst also breaking the Club record for the long jump, finishing 5th with 5m93. Jake added a whopping 26 cm to his previous PB in the U/20 mens long jump for bronze with 7m25, just 1 cm short of silver and was rewarded with his first international vest (and a club record). Other PBs came from Femi Akinbobola in the U/20 mens 200m in 22.55 to finish 4th in his heat, and Sam Roberts who ran 8.47 to finish 5th in his heat of the U/20 mens 60m hurdles. Other performances were Femi again with 7.26 for 4th in his heat of the 60m, Ben Game with 7.46 for 4th in his heat of the U/17 60m, Joe Carter with 7.58 for 7th in his 60m heat, Eleanor Webster with 2.18.67 to finish 4th in her heat of the U/17 w 800m, John Howorth who just missed a medal in the U/20 M 1500m finishing 4th in the final with 4.00.66 (4.05.01 in heat) and Rory Howorth who finished 10th in the U/20 long jump with 6m59.

Northumberland CTS Ultra/Marathon

By Mark Mackintosh

This was my first ultra (just over 57km on a gently undulating and very scenic course) and was aimed at testing the waters with regards pace, hydration, and nutrition strategies for other races later in the year. Race was very well organised with coaches taking us from the briefing below the walls of Bambrough Castle to the start near Alnwick Castle, and well-positioned checkpoints and support from a few locals along the way. The weather was perfect, if a tad warm, with a gentle southerly on our back for most of it.

The intention was a top 10 place if possible, and an age category win. After the first few kms I settled into $6/7^{th}$ place running with a runner from London Heathside, we stayed together for almost 3 hours passing the runners in 5^{th} and 4^{th} place, and then I slipped ahead and passed runners in 3^{rd} and 2^{nd} before hitting the 13k Ultra loop at the end of the marathon. With some 6k to the end the wheels came off a bit, and I lost time, and was passed by London Heathside, but thankfully managed to hang on and take third (and first in age). A recommended race, and some lessons for me for future ones.

FieldFest!

By Di Viles

Our own TBAC FieldFest is on Sunday April 14th at the Uni. We don't have many entries from TBAC athletes yet - so please remember you need to enter online: go to the TBAC website. This is a great opportunity for young field event athletes to get a taste of competition before the league season starts and it gives the Team Manager a chance to see what you can do when she picks the teams for the YDL and Avon leagues. It is open to anyone from U/13 upwards. Check it out!

Officials & Volunteers needed!!

I am still looking for volunteers to help on the day. You don't have to be qualified, just willing. If you might be able to help, please get in touch: fieldevents@teambathac.org

Bath Skyline parkrun

By Sue Brigden

As you are probably aware the Bath Parkrun is now attracting up to 400 runners per week. To enable this free weekly run to continue it is vital to have volunteers to help marshall. Some club members already volunteer, but we could do with more help. Please consider volunteering, especially if you run at parkrun.....even just 3 times a year would make a huge difference. It is even possible to do the car parking before, and still able to run More info here.

Wiltshire Road Race League

By Thomas Davies

The following local events are those included in the Wiltshire Road Race League for 2019.

I don't think the club has targeted this league in recent years - but there are a great set of local races here and so it would be great to see plenty of TBAC colours out in force (I'm signed up for the 1st two events already). For the individual standings best 8 from 10 count.

I imagine you might need to sign up pretty sharpish for the 1st few events (certainly Corsham 10K will sell out very soon, although its same day as London Marathon).

- Race 1: Good Friday 10 Miler (19 April)
- Race 2: Corsham 10k (28 April)
- Race 3: The Shrewton Bustard 10k (19 May)
- Race 4: Broad Town 5 (15 June)
- Race 5: YET TO BE ANNOUNCED (End June provisionally)
- Race 6: <u>Heddington 5k Series</u> (14 May, 11 June & 9 July) as per 2017 when this
 event was last in the league, a virtual result will be calculated at the end of the
 series and your best time will count for the league/virtual result from which team
 points will be decided)
- Race 7: Colerne Under the Posts 5 Miler (21 July)
- Race 8: <u>Two Tunnels Relay event (5 x 10km)</u> this will be a team event, all 5 runners must be from your club (18 August)
- Race 9: <u>Chippenham Half Marathon</u> (8 September)
- Race 10: Devizes 10k (29 September)
- Race 11: Clock Change Challenge 10k (27 October)
