Welsh Athletics International Indoor Meet

By [Julie Alexander / Di Viles](#)

Jake Burkey & Jenna Blundell both competed in an England vest for the first time at the

weekend and both came away with silver medals. Jake finished second with 7.05m in the long jump (after jumping over 7m for the first time the previous weekend at England Champs). Jenna also finished second in 8.48 and her 8th PB in the 60 hurdles in 8 races. Well done, both!

FieldFest!

By [Di Viles](#)

The time is fast approaching for the Team Bath AC FieldFest meeting, held annually at the University. This year's event takes place on Sunday April 14th and the programme is below. It is designed for all ages from 11 upwards and all abilities in all field events. The A competition in each event is for experienced elite athletes and the B competition is for younger and less experienced athletes. To the younger members of the club, the U/13 and U/15 athletes, now is the chance to show the team manager what you can achieve to enable her to select you for the league meetings.

Entries this year are online only so please go to the [TBAC website](#) for the full details. There is a closing date so no entries on the day.

We are still a bit light on TBAC entries - we are still trailing behind Yate in entries - so young athletes, please make sure you get your entries in!

I am still looking for more help with officiating on the day (14th April). There are 8 events in

all with 2 competitions in all 8 and most events need 5 officials to run successfully, As you can see, we need a lot of officials! You don't need to be qualified, just willing to help, qualified officials will be in charge of the events. Thanks to those who have offered, much appreciated.

Please support this very successful meeting in any way you can. If you might be able to help, please get in touch: fieldevents@teambathac.org

Bath Skyline parkrun

By [Sue Brigden](#)

As you are probably aware the Bath Parkrun is now attracting up to 400 runners per week. To enable this free weekly run to continue it is vital to have volunteers to help marshall. Some club members already volunteer, but we could do with more help. Please consider volunteering, especially if you run at parkrun.....even just 3 times a year would make a huge difference. It is even possible to do the car parking before, and still able to run More info [here](#).
