

The Bath Plug

Issue 1456 21 Mar 2019

Aaron Pritchard on his way to top 20 finish and a 71:29 PB at the Bath Half.

Well done to everyone that raced Bath Half on Sunday!

Unfortunately, at time of publication (Weds evening), unless i'm mistaken, full results are still not out, and the online provisional results are not yet searchable by club. Hopefully that will change once they get uploaded into PowerOf10, but consequently I'm holding back on reporting full TBAC results this week. I do know plenty of TBAC who ran and that I've checked individually, but its currently impossible to include results for everyone.

On the plus side this gives you an extra week to send me your Bath Half race reports! Please email to plugeditor@teambathac.org (even if its just 2 lines on your own race) and I'll put everything together for the next issue.

However, some quick highlights that I do know: we had more than 20 TBAC running under 90mins; Aaron Pritchard claimed 1st TBAC & 20th place overall with a big PB of 1:11:29; Eilidh Bell was 6th overall female in 1:19:51; & top 5 age-group finishers incl. Simon Brace (5th MV45, 1:16), David Vaudin (2nd MV60, 1:25), & Tom Hutchison (3rd MV65, 1:31).

Also this week: Job advert for TBAC Administrator role, more info on the Minors Meeting for U11 & U13s, updates on FieldFest & YDL UAG, results from English Schools XC, and

the 5K TT league standings to March.

Tom Davies (Plug Editor)

Job Advert: Team Bath AC Administrator

Team Bath Athletics Club (TBAC) has approximately 800 members from age 8 to over 70. Members train and compete in Track and Field, and endurance running events. There is a 365 program run on a termly basis that introduces children 8-12 to all aspects of athletics. The club is based at the Sports Training Village of the University of Bath but is quite separate from the university organisation.

This vacancy arises as the current post holder is now finding their other employment is filling much of their time and giving difficulties in fulfilling the duties of this established job as they would wish. They have provided us with excellent service in this role, and we very much appreciate this and are sorry to lose them. They have very kindly agreed to remain available to assist with the training of the new administrator.

The purpose of the job is to manage administrative affairs for the Club. This includes, but is not limited to, membership, Junior 365 programme, basic enquiries, club desk on training nights, payroll calculation for coaching and other staff, and maintaining membership and banking financial records.

The successful applicant will be paid to work 24 hours in an average week though the nature of the job is that there are peaks and troughs in workload. 5 of the weekly hours must be spent staffing the reception and enquiry desk at the University of Bath Sports Training Village from 17:50 to 20:20 on Tuesday and Thursday club nights. The remaining hours can be completed flexibly and are based at home. There may be the very occasional need to attend on a Sunday morning for an hour.

The ideal candidate would have some experience of administration of community organisations and be confident in dealing with members of the public. He or she must be comfortable with web-based applications, spread sheet and email work and be able to operate independently. The administrator will act under the guidance and report to the club manager and to the trustee board member responsible for membership and finance. The role will be paid at £13-14k per annum (or £20-22k fte. pro rata.).

For more information, or for a discussion of what the role entails please contact: Geoff Davis Trustee Treasurer Treasurer@teambathac.org

Applications should be made as a CV and covering letter of application naming two referees, one of whom is the current or most recent employer.

Applications close Friday 5th April. Short listing will be in the following week with Interviews in the week of Monday 15th April.

TBAC Minors Meeting

By [Rory Howorth](#)

Team Bath AC is hosting a Minors meeting on Sunday 7th April between the hours of 12pm until 3pm. It is an event designed specifically for our youngest athletes; U11s (school years 4 and 5) and U13s (school years 6 and 7).

The club needs more helpers to ensure the smooth running of this event, no specific skills are required, you don't need to be a qualified official, just somebody willing to donate some time. If you are willing to help out, please get in touch with the event manager, Rory Howorth at minorsopen@teambathac.org.

The event is specific to U11 and U13 age groups only. It will be a great opportunity for the young athletes to display their talent in the competitive environment. For more information, click the link [here](#).

We are also planning to hold a raffle on the day and prize donations would be gratefully received.

Timetable of events is below:

**TEAMBATH ATHLETIC CLUB
REG. CHARITY NO. 1165972

FieldFest!

By Di Viles

Numbers for the FieldFest on Sunday 14th April are now up to 86 and growing daily. We have some top class athletes coming from all over England and Wales, with the javelin looking the tastiest of the lot at the moment. I could still do with some more help on the day, especially later in the day. If anyone can help from 3 pm onwards, that will help, as we have a heavy second half of the programme with long throws.

Don't forget, entries this year are online only so please go to the [TBAC website](#) for the full details.

Please support this very successful meeting in any way you can. If you might be able to help, please get in touch: fieldevents@teambathac.org
